GOLD

WiredScore is the world's only internationally recognized digital rating scheme and has awarded a WiredScore Gold rating for outstanding digital connectivity!

Your home has a fast and reliable internet connection. It means your landlord cares enough about the people who live here to make sure their building is ready for the technologies of tomorrow.

What does this mean?

Stability

To improve the stability and resilience of your internet, your landlord has provided infrastructure that allows separate cable routes to enter the building.

Speed

Your landlord has provided you with a range of connectivity services and packages, including gigabit or symmetrical internet.

Security

Your landlord has made sure that connecting to your Wi-Fi will always be safe and secure via a protected network.

Setup

We all like choice. That's why your landlord has made sure you have ready access to a range of internet service providers, so you can choose the option that works best for you.

Service

Your landlord has provided you with a range of connectivity services and packages.
